Sea & Spirit 2008

Sand Sea & Spirit is presented by a group of Volunteers, honoring the traditions created by Joe and Dottie Asselin. These volunteers include a Board of Directors, along with many others, whose sole purpose is to provide an experience of love, harmonious community and holistic healing.

Our Deepest Gratitude to all those, yes that includes YOU, who have made the Sand Sea & Spirit 2008 reflect the Traditions of Unconditional Love.

We would like to also recognize a few people in particular for their generosity -

- John McMullin, of *Journeys of Wisdom*, for providing massage tables for our traveling guests.

Thank You, John.

- Diane Allen, of Ki Empowerment, for the use of banquet tablecloths for our buffet meals.
- Those who have provided scholarships for participants to attend Sand Sea & Spirit 2008:

Patricia W. Stover

Carolyn and Jim Redinger
